CEDAR HILL KIDS  
HOMESCHOOL/ESPAÑOL

# Incorporate Spanish in your child's daily activities!

¡Hola!

Including Spanish resources into your child's regular schedule is a great way to approach bilingual education.

❖ How to use this resource:

1. Print, cut each flashcard individually and laminate or put contact paper to protect the paper.

Play with them:

- Matching game (print two sets!)
  - Have your child organize one set of cards according to her routine
  - Watch the video together and then have your child read the words in each card.
  - Read one of the words to your child or play the video then pause and have your child pick the right card, have him/her say the word out loud.
2. Print the last two pages, laminate it and place it in a place where your child will see it on a regular basis.
  3. Review the video with your child every once in a while, and have her/him share the vocabulary with a friend or a relative. You can find the video on Instagram or Facebook @cedarhillkids\_homeschool
  4. Before laminating the cards cover the words with white paper then laminate for your child to tell you the word, or simply use tape or paper to cover the words and ask your child to tell you the right word.
  5. Tell your child the words in English and have them tell you the Spanish translation.
